About Us

23 Years In The Industry

Over the years, we remain to be the provider of straightforward and sustainable recruitment service to our worldwide clients. We bank on our hands-on approach to ensure diligence, integrity, and efficiency to enable us maintain our personal and professional relationship with both our clients and candidates.

Bespoke Client Management

Understanding cultural differences between Filipinos and the employer is key to providing the best kind of service. We approach every client with the mindset that their needs are unique. We adapt to your requirements and find meaningful solutions based on your challenges.

End-To-End Servicing

Our centralized hiring process guarantees fast recruitment time, and cuts down our client's cost on temporary and agency employments, making them achieve a proficient workforce in the long run.

How can we help?

Accreditation Process

The documents required for accreditation are the following:

- ✓ Recruitment Agreement between the foreign employer and its Philippine Recruitment Agency, inclusive of the obligations and terms of their recruitment relationships;
- ✓ Special Power of Attorney by a Foreign Principal to the Philippine Recruitment Agency;
- ✓ Manpower Demand of the foreign employer indicating the categories needed, number required, corresponding basic salaries and contractual benefits;
- ✓ Master Employment Contract
- ✓ Contingency Plan
- ✓ Company's Commercial Registration or valid business license of the foreign employer in the host country

The documents provided shall be authenticated and verified by the Philippine Labor Attaché of the country of to which the company recruiting belongs to or if in the absence of a Philippine Labor Attaché in the host country, the nearest Consulate to the location of the employment. After documents are verified, the original documents shall be sent to the Main office in Manila via courier for the accreditation process with the POEA.

Thank you!
